
About HYPERBOREA *and Clark Ashton Smith:*

Behind the North Wind

Never on land or by sea will you find
the marvelous road to the feast of the Hyperboreans
—PINDAR

To the ancient Greeks, the fabled land of Hyperborea was an idyllic paradise—an Eden of the pagans. They had many stories about Hyperborea—Hercules visited it; Perseus cut off the Gorgon's head there; it was the birthplace of Apollo's grandfather. The best yarn of them all was about a globe-trotting Hyperborean wizard-priest named Abaris who visited Greece, studied magic under Pythagoras, and stopped a plague from destroying Sparta before he returned home.

Homer, who was pretty vague on geographic theory, never mentioned the land of the Hyperboreans, but the historian Herodotus did (IV, 36), and he recorded that Hesiod mentioned it, as did a lost epic in the Theban cycle called the *Epigoni*.

Among the poets, Pindar prominently featured Hyperborea in his tenth Pythian ode. In the enchanting Richmond Lattimore translation, it was described thus:

Never the Muse is absent
from their ways: lyres clash and flutes cry
and everywhere maiden choruses whirling.

MAGDALENIEN AND MEROVINIGAN ASSOCIATIONS WITH HYPERBOREA AND ATLANTIS

Chapter 4

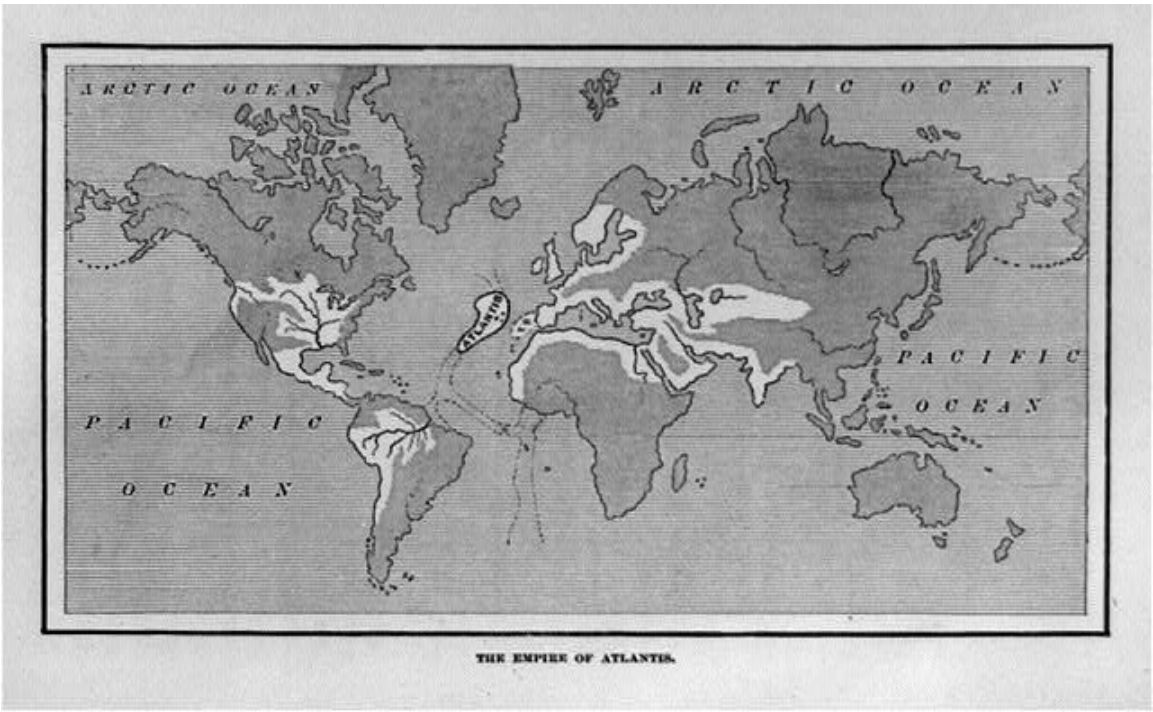
While the Holy Grail authors falsely associate Mary and Jesus (Yashua) with the Merovingian's and their more current convoluted history, both their histories go back to Hyperborea and Atlantis. The earth is very old and life and history on earth has been lost to the record books for very devious reasons. Today we are all aware that our earth has experienced many previous earth ages where mankind existed that is not found in our history books. Jesus (Yashua)

referred to these earth ages and earth generations while he was on earth. When you combine all of the stories about these earlier earth generations what you learn is that the original inhabitants of this planet were incredible Scandinavian archetypes who were given the DIVINE RIGHT TO RULE THE PLANET by Jesus until it was cleverly stolen from them over time. With out going into great detail what I have learned is that all of us have DNA that can track back to our mitochondrial mothers who were not apes but incredibly sophisticated Scandinavian archetypes whose DNA WAS INCREDIBLE. It does not matter what color your skin is today WE ALL SHARE HER DNA with her because she was our original MITOCHONDRIAL MOTHER however we all share our fraternal DNA from DIFFERENT FATHER LINES.

"Then God (Fallen Watcher leader) said, 'Let us make man in our image, after our likeness. And let them have dominion over the fish of the sea and over the birds of the heavens and over the livestock and over all the earth and over every creeping
thing that creeps on the earth.'"
Genesis 1:26

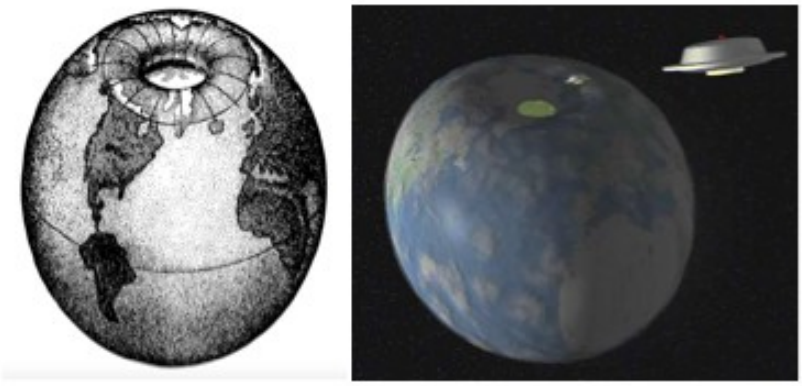
Evil ALIEN entities I call the "FALLEN WATCHERS," came into our 3-dimensional world to invade, exploit and destroy these original Scandinavian dynamo's. These aliens realized that if they were able to breed other DNA with our Mitochondrial Mothers DNA that they could created hybrid races that would COW TOW TO THEM not Jesus. This is what Yahweh Ildabaoth the Demiurge did who was the god of the Jews when he artificially inseminated Adam and Eve. They appear to have been a hybrid Celtic race with red hair green eyes and a crooked nose. It seems as though all of these hbrid races in the Middle East had one thing in common with Cain they had CROOKED NOSES, which is the Bible was referred to as the **MARK OF CAIN**.

These hybrid descendents, which would be created from these and other similar breeding techniques, could be mind gamed and controlled. So that is exactly what aliens started to do, they created genetically modified hybrid lines. Some of them were created as slave races like the BLACK EVES and the INDIAN ADAMS. These evil entities used and worked through these hybrid races to bring havoc into our world and to eventually steal the DIVINE RIGHT TO RULE THE PLANET FROM OUR ANCIENT SCANDINAVIAN ANCESTORS. This seems to be slowly turning around today as our Scandinavian leader Trump seems to have a DIVINE COMMISSION TO RULE WHEN JESUS RETURNS. We will just have to wait and see how it all plays out.



THE EMPIRE OF ATLANTIS.

The INDIAN ADAMS became the Atlantians, Sumerians and the dark hair dark eyed, red hair green eyed bloodlines with CROOKED NOSES in the MIDDLE EAST that were the forefathers of ALIEN HUMAN HYBRID groups such as the Merovingian “Serpent Bloodline” families.



These artificial inseminations occurred all over the world and are continuing today but ancient legends state that the primary spot on the map for this inbreeding took place was inside UFO's and inside the North and South Poles. Today the openings to the North and South Poles have been deemed "NO FLY ZONES.

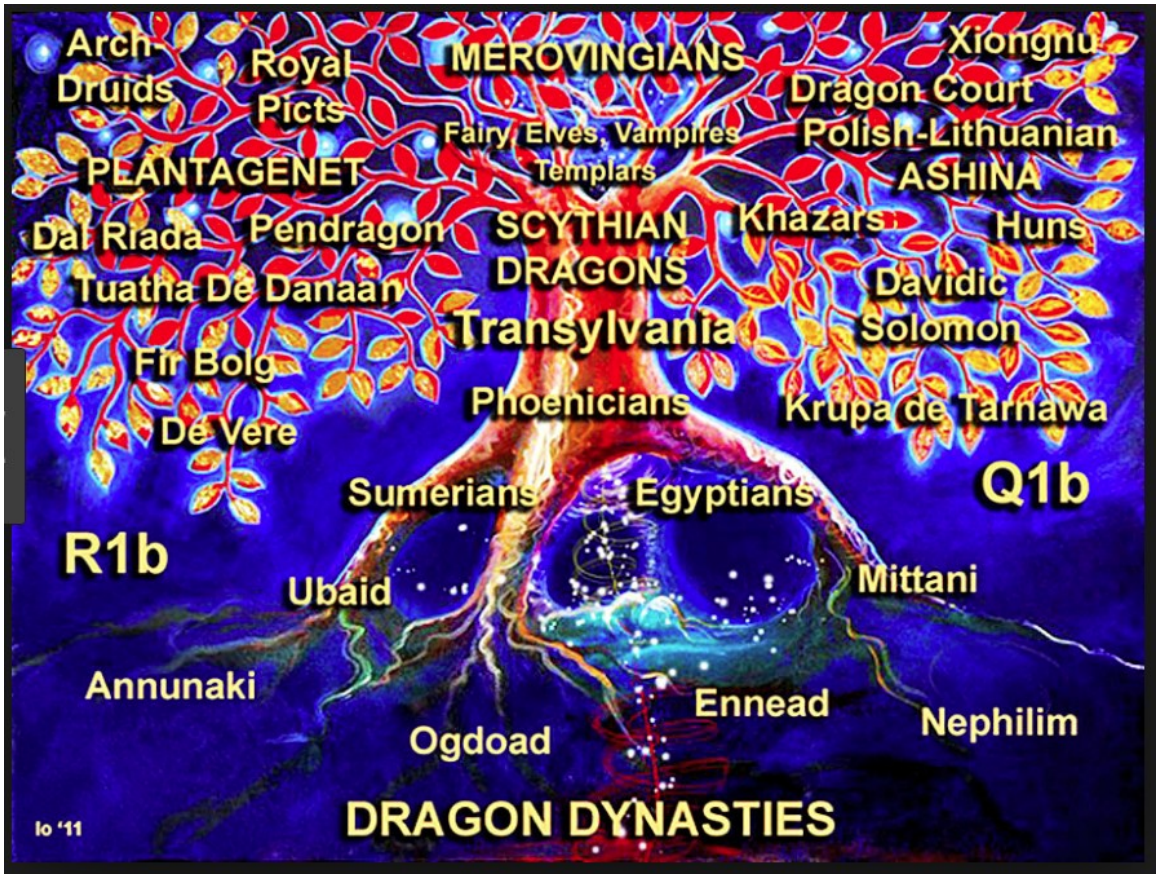
North Pole "No Fly" Zone?
Well, if you can't see the hole from satellite then you can't see it from a plane you??
So I wrote to my friend Don Daniels who I knew had flown planes – for United Airlines at one time – and I asked him if you can fly over the north pole. He wrote
– We are not allowed to fly directly over the North Pole, the stated reason being that the older navigation systems on for instance the B-747 would get temporarily confused as to which South to reference to. Newer navigation systems like on the B-777 mathematically switch the poles to the equator when we are far north or south and thus there is no ambiguity. However, they tell us to not even ask as we will not get permission to deviate directly over the pole, an it would be considered a gross navigation error.
– I have been within 60 miles of the North Pole on a number of occasions, and while it is surprisingly smoggy or hazy, I should have been able to see an opening of any significant size.
This was in 2006 – he sent me some photos!!

These northern lands were referred to as Hyperborea and the lands inside the earth in the north were referred to as Agharta. Legends tell us that after this inbreeding happened in what ancients called Atartha, the hybrid INDIAN ADAMS were thrown out and transported down to the regions of the world referred to as Atlantis. On the map above the regions of the world associated with Atlantis are highlighted in a light color and they can be found around the Equator, the Mediterranean Sea in southern Europe and Asia, North Africa, South America, etc. They are NOT Hyperborean lands except of Scandinavia. They existed more towards the Equator which is where they were flooded in what many believe was done purposefully by the "Powers that Be."

The ice age was introduced by these evil entities forcing the Scandinavian Hyperborean's, who had not mingled with these evil gods, out of Hyperborea and down into Scandinavia and the further down into Southwestern Europe,

in front of the ice sheet, where some of these Scandinavian people bred with the dark hair dark eyed hybrid INDIAN ADAM (hunter gathers) “Serpent Race’ and other hybrid races in the Middle East, etc. At first the Scandinavians were known as the indigenous people during the initial phase of the Aurignacine, Gravettian and Magdalenian Era, until the second phase when the inbreeding started after the flood.

The oldest mummies found all over the world were Scandinavians but the group we are talking about today are the Magdalenian’s.



If you are interested in the controversy over the Gospel of Jesus' Wife, the owner has been exposed by journalist Ariel Sabar in this month's Atlantic **HERE**. It looks like we can without reservation put this document into the forgery category now that we know about its provenance, particularly that the letter authenticating the document is itself a forgery, but also that the owner had skills, knowledge and likely even motive, to forge the document. It is a wild read all the way to the end of the article, and, Sabar is likely right to suggest that Walter Fritz may have been modeling all of this after the plot of the Da Vinci Code. Truth can sometimes be wilder than fiction.

HOLY GRAIL AUTHORS FALSLEY SUPERIMPOSED THE "SERPENT BLOODLINE" HISTORY IN WITH JESUS AND MARY'S BLOODLINE by

FALSIFYING RECORDS.

Here's the SLIGHT OF HAND MISINFORMATION THAT IS BEING PROMOTED IN THE HOLY GRAIL BOOKS. They have falsely associated the bloodline of Jesus (Yashua) and Mary with the Merovingian bloodline using trickery, forgery and deceit. The Merovingian bloodline, which is being promoted by the Holy Grail writers, were the hybrid descendents of a Sea Serpent known as the Dagon.

The Edge of Vampire Diarie...

The first English record of the term 'blue blooded' to mean noble descent dates to the early 19th century, but the notion actually stretches back much further.

The concept likely originates in medieval Spain as *'sangre azul'*, and is attributed to the rich, powerful families of Castile. As part of their 'pure Gothic' descent, they would claim never to have intermarried with another race by drawing attention to their pale skin, which made the blueness of their veins visible.

Dagon (or “Dagan” as spelled in some historical writings) was originally a Babylonian fertility god who evolved into a major Northwest Semitic god, reportedly of fish and/or fishing
(as a symbol of multiplying).

These Merovingian’s alien human hybrid bloodline) became the BLUE BLOODS of Europe because they carried the DNA of the Fish Gods which seemed to turn blue under certain lighting.

This dark hair dark eye red hair green eyed race was known by many names in ancient times. They were associated with the Phoenicians, Atlantians, “Sea People”, Canaanites, Danites, Basques, AshkeNAZI Zionist, Sephardic Jews, Japheth's bloodline, Dracula and the list of name associates go on and on.

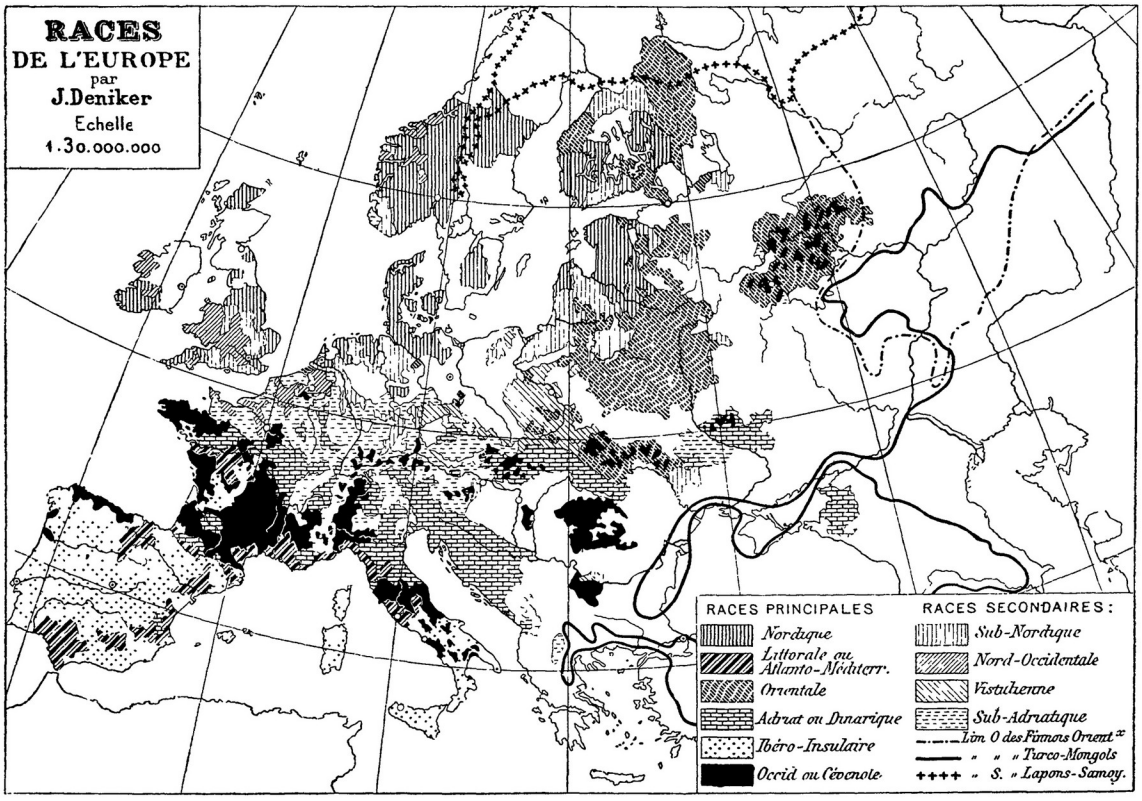
This “Serpent Bloodline” has always played the “Copy Cat” game by cleverly and deviously associating themselves with Scandinavians. They claim the need SCANDINAVIAIN BLOOD. It appears that they carry to much reptilian DNA the affects of which they can't control. It is not a coincidence that the dark hair dark eyed Levites, Semites, Turks archetypes, which include the “Tribe of Dan” sailed into south Western Europe and the British Isles, in a boat on the Mediterranean Sea into the “Gulf of Lion” where they bred with the

indigenous Scandinavians. I believe the “Sea People” aka Phoenicians who transported them along the Mediterranean Sea route were the forefathers of this dark hair dark eyed race of Solutrean Indian ADAMS that are associated with Atlantis legends.

If Mary did journey back to Europe, as the Holy Grail authors claim, it was to join the ancestors of the original Magdalenian’s not the ancestors of the Merovingian's.

Northern Eurasians
Indigenous Europeans
Native Americans
Middle Eastern farmers
Northern Europeans have more indigenous hunter DNA
Southern Europeans have more DNA from the Middle East

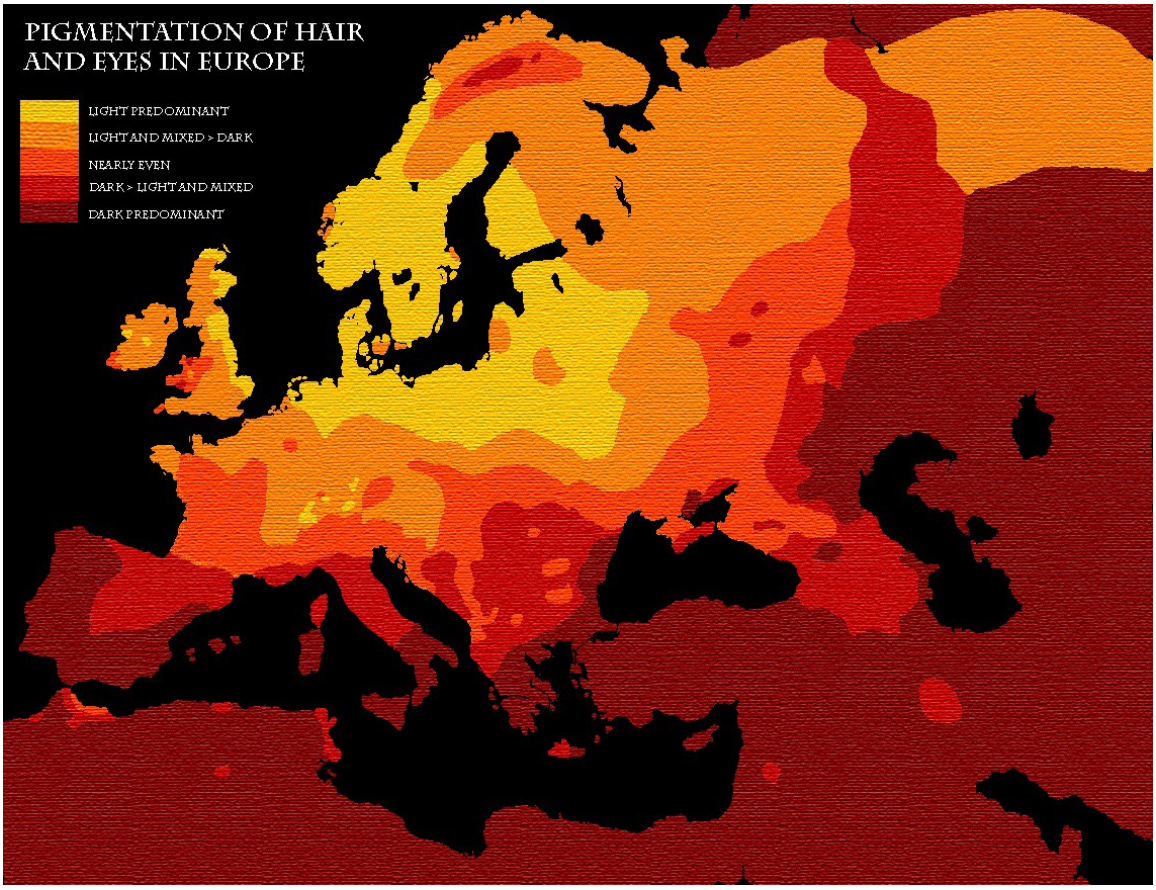
Scandinavians were the INDIGENOUS RACE in Europe



On the map above you will see the black areas where the Scandinavian Magdalenian's migrated to from Hyperborea before during and after the "Big Freeze." Among the locations they settled in was the northern tip of Spain and France where Mary and Jesus (Yashua's) Scandinavian Magdalenian Aurignacine ancestors once lived along with the LATER dark hair dark eyed race that would later become known as the French race.

The area was known at the time as the Franco-Cantabrian region aka (*Franco-Cantabric region*) and it stretched from Asturias, in northern Spain, to Provence in SE France.

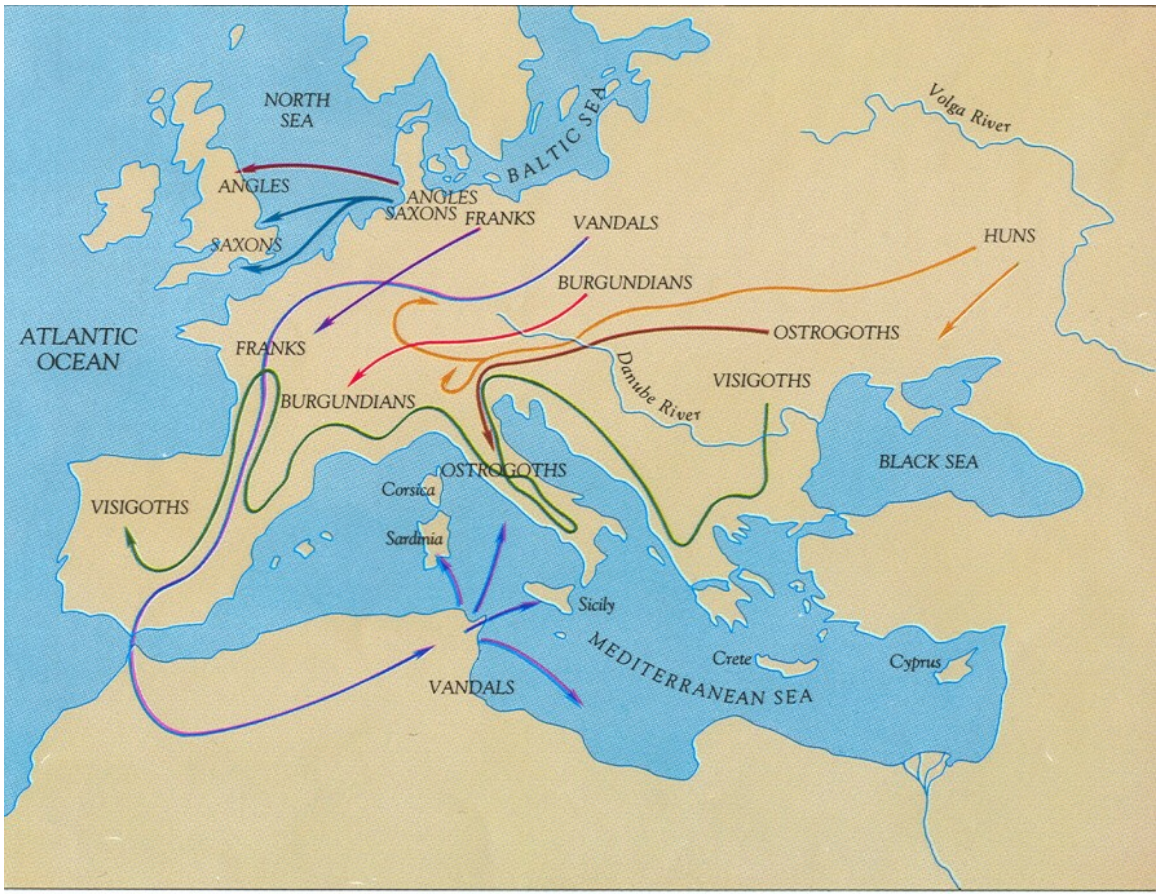
You see as the dark hair dark eyed tribes moved in from the Mediterranean and Middle East routes across the Mediterranean Sea and from the East where they bred with the local Scandinavians.



On the map above you can tell that the indigenous Scandinavian people (in light highlights) migrated down into Southwestern Europe during the ice age to live and then migrated back up north after the ice sheet melted leaving a mixed race of hybrids in northern Spain and France who would later become known as the Basques, Danites, Canaanites, Sea People, Phoenicians, Merovingians, Aryans, etc.

The lightly highlighted areas represent the indigenous Scandinavian races after the inbreeding had taken place and after the Scandinavians had primarily moved back north after the last ice age. The red highlighted areas represent the dark hair dark eyed black races and Indian Adam (hunter gather) races that migrated into southern Europe from Africa, the Atlantic and the Mediterranean Sea. Those highlighted areas in between represent the mixed hybrid

races that were the result of the inbreeding between these races.

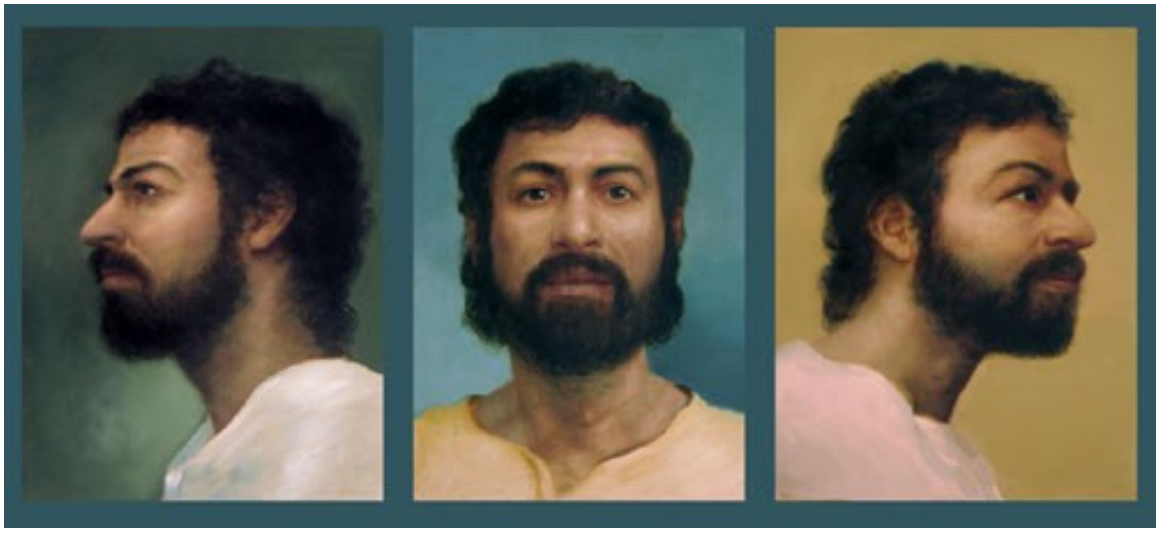


The Merovingian hybrid descendents are associated with the Gulf of Lion aka Gulf of Zion in France as seen on the map above. However, Scandinavians originally settled the area.

<u>The Region of the world Mary's Scandinavian ancestors are associated with WAS ALSO IN WESTERN EUROPE</u>

In the days of the Old and New Testament, people were called by their first names. In place of their last name was the city, town, or the country their ancestors came from. Mary Magdalene was actually Mary Magdalene or of Magdala whose ancestors were associated with the Magdalénien Era in Southwestern Europe.

<u>WHO WERE THE JEWS AND WHAT BLOODLINE DID THEY COME FROM?</u>



Their bloodline is connected with the Indian ADAMS who were also one of the “Serpentine Races and reptilian races” of ancient Sumeria (Medo Persia Babylon Iraq) and India. They were a hybrid race, who had dark hair, dark eyes and crooked noses. One of there tell tale features was a crooked nose, which is a physical facial feather and characteristic found in those who call themselves Jews today. They were primarily Semites, Turks, Canaanites, Edomies, Sephardic Jews, Atlantians etc., and what we refer to as Arabs today. They were known as the AshkeNAZIM Zionists and Sephardic Jews.

Ashkenazim Zionist, Jews entered Europe from Khazaria Russia instead of the Mediterranean Sea route, which the Sephardic Jews took. The AshkeNAZI Zionists migrated into southwestern Russia from Medo-Persia where they also bred with the indigenous Scandinavian people groups. They became the Khazars, who continued their migration into Europe by way of the eastern European countries like the Ukraine, Germany, Poland, etc. They also migrated into England, Scotland and Ireland from the Mediterranean’s where they became the “Lion” etc., bloodline in the British Isles, who knew!

What people don’t realize about prehistoric and ancient Israel is that at the time Jesus (Yashua) was engaged in his ministry, Israel was full of people from many nations and

tribes. They were not all the dark hair dark eyed people groups we have been lead to believe. The Apiru, Habiru, Hebrew Naptali and other remaining Northern tribes who followed Jesus were Scandinavians and Aryans. Today, Magdala (Migdal) is no longer Scandinavian region it is a SECT Serpent, Snake and Scorpion (SSS) bloodline region.

SCANDINAVIANS AT ONE TIME HAD THE DIVINE RIGHT TO RULE THE PLANET UNTIL IT WAS STOLEN FORM THEM BY THE SERPENT BLOODLINES.

The “Serpent, Reptilian and Scorpion Bloodline” has always emulated the Scandinavians from the long lost worlds of old that were associated with ancient legends of past earth ages. Hitler and his followers were obsessed with these prehistoric Aryan Giant peoples. The Scandinavians had the DIVINE RIGHT TO RULE THE PLANET UNTIL IT WAS STOLEN FROM THEM BY THE SERPENT, REPTILIAN and SCORPION (SRS) BLOODINES.

The “SRS Bloodlines” have cleverly and deviously been breeding with and associating themselves with these indigenous Scandinavian people groups from the beginning of time itself. It is not a coincidence that the dark hair dark eyed Levites, Semites, Turkish INDIAN ADAMS, aka “Tribe of Dan” etc., sailed and migrated into northern and southwestern Europe, where they bred with the indigenous Scandinavians people. I believe the “Sea People” aka Phoenicians who transported SRS bloodlines along the Mediterranean Sea route included the Solutrean Indians.

Buyers Beware of the “Holy Grail” Slight of hand writers.

The “Serpent Bloodline” authors of these “Holy Grail” books continue to associate Mary with the French and Celtic people of the British Isle and the Merovingian’s of Southwestern Europe for very devious reasons. DO YOUR HOMEWORK AND DON’T BE FOOLED.
